## Insurance Committee Update November 18, 2011

Periodically throughout the school year, all RUSD employees will receive updates outlining important information being analyzed and discussed at the Insurance Committee meetings. The insurance committee process is a lengthy one, with progress made at each committee meeting.

The members of the Insurance Committee are:

Maria Clark, Chuck Mendoza, and Deborah Severo, representing RTA; Jolene Tripp (Co-Chair), Miguel Ruiz, and Celiza Hernandez representing RESPA; Kate Pearne (Co-Chair), Curtis Marcell, and Janet Jungnickel, representing RAPA; Sabine Robertson-Phillips, Elias Jouen, Brian Guggisberg, and Felicia Robinson, as Ad-hoc committee members; and Sue Cenderelli as recording secretary.

On October 18, 2011, the Insurance Committee met to begin analyzing healthcare plans. This process will continue through the winter and early spring. This meeting was the first time the Insurance Committee has operated under its new norms and format. In September, the committee met to establish its norms, which define the committee's purpose, composition, structure, procedure, and protocols.

Throughout this school year, please feel free to contact any of the committee members should you have any feedback for the Insurance Committee. As always, questions regarding the current healthcare plan should be directed to Felicia Robinson in Benefits.

In addition to the Insurance Committee updates being sent to each employee, updates will also be available on the RUSD website. You can access the updates under the [Insurance Committee Information](#) link found under [Employee Information](#).
